

**U.S. Environmental Protection Agency  
CHILDREN'S HEALTH PROTECTION ADVISORY COMMITTEE  
National Archives Museum  
700 Pennsylvania Avenue, NW, Washington, DC 20408**

**Tuesday, September 9<sup>th</sup>: Use entrance on Pennsylvania Avenue  
Wednesday, September 10<sup>th</sup>: Use entrance on Constitution Avenue near 7<sup>th</sup> Street**

**Call-In Number: 866-299-3188 Code: 751-067-2219#**

**September 9-10, 2014**

---

**Meeting Objectives**

- Receive information on selected major initiatives in child health research at the National Institutes of Health, including the National Children's Study and the Human Placenta Project.
- Discuss EPA's responses to CHPAC letters, including Prenatal Exposures and Social Determinants of Health.
- Examine system leverage points to influencing environmental medicine practice.
- Highlight key ATSDR and partner actions occurring to achieve system level improvements in environmental medicine practice.
- Learn about the Interagency Report on Climate and Health.
- Learn about the EPA's current review of the National Ambient Air Quality Standards for lead.
- Receive an update on EPA's Office of Children's Health Protection activities.
- Review the newly formed workgroups and the charges to the CHPAC.
- Discuss the Administrator Priorities letter.
- Describe the CEH cross-cutting research roadmap and how this will inform design and implementation of ORD research.
- Solicit suggestions on targeted opportunities to leverage current or planned activities by EPA partners and stakeholders (through case studies and demonstrations) to translate, apply and evaluate CEH specific knowledge and tools.
- Learn about the Clean Power Plan Proposed Rule and opportunities for comment.
- Receive an update on the EPA/FDA Fish Advisory Consumption in preparation for the newly charged workgroup.
- Learn about EPA's new environmental justice screening tool.
