

**U.S. Environmental Protection Agency
Presents the
Organotypic Culture Models for Predictive Toxicology
STAR Research Centers**

SOT 2015 Annual Meeting

San Diego Convention Center, Room 5A

March 25, 5:00 p.m. -7:00 p.m. PDT

DRAFT AGENDA

- 5:00 P.M. **Welcome and Announcement of the OCM STAR Centers**
Tina Bahadori, EPA Chemical Safety for Sustainability National Program Director
- 5:10 P.M. **Overview of EPA Virtual Tissue Research Program and Collaboration Opportunities**
Tom Knudsen, NCCT, ORD, EPA
- 5:25 P.M. **Possible Additional Speakers**
- 5: 30 P.M. Research Center Descriptions by the Principal Investigators**
- 5: 30 P.M. ***Human Model for Analysis of Pathways Center (H-MAPs)***
Principal Investigator: William Murphy, University of Wisconsin, Madison
- 5:45 P.M. ***Vanderbilt-Pittsburgh Resource for Organotypic Models for Predictive Toxicology (VPRMPT)***
Principal Investigator: Michael Shane Hutson, Vanderbilt University
- 6:00 P.M. ***Predictive Toxicology Center for Organotypic Cultures and Assessment of AOPs for Engineered Nanomaterials***
Principal Investigator: Elaine Faustman, University of Washington
- 6: 15 P.M. **Poster Session**
