Re: Community Advisory Group, Camp Minden Site Removal Action

Dear Mr. Hagar:

Thank you for your email on April 20, 2015 regarding the Camp Minden Site Community Advisory Group (CAG). The U.S. Environmental Protection Agency (EPA) Region 6 recognizes your group as the CAG for the Camp Minden Site Removal Action and will serve as the focal point for exchange of site information among the local effected community for the site.

We strongly support community engagement with our local and state partners. Region 6 is committed to working with the Camp Minden site CAG as we move forward in addressing the cleanup at Camp Minden.

Again, thank you for your email and if I can be of any assistance, please contact me at (214) 665-8553 or Jason McKinney at (214) 665-8132.

Sincerely,
