

# IRIS Recent Additions - 2008

**17 November 2008**

[Consolidated Comments on the External Peer Review posted for Carbon Tetrachloride](#)

On May 21, 2008, the Toxicological Review of Carbon Tetrachloride was released for external review. Completing this review, a final report of the comments from the public comment period and external review meeting were collected, and the report is now available.

**16 October 2008**

[Notice for the Toxicological Review of Tetrachloroethylene \(Perchloroethylene\): External Peer Review Meeting](#)

EPA is announcing an independent external peer review to be hosted by the National Academy of Sciences on November 13, 2008, for the draft document entitled, "Toxicological Review of Tetrachloroethylene (Perchloroethylene): In Support of Summary Information on the Integrated Risk Information System (IRIS)". [[Federal Register October 16, 2008](#)]

**2 October 2008**

[Notice for the Toxicological Review of Ethylene Glycol Mono-Butyl Ether \(EGBE\): Listening Session Announcement](#)

EPA is announcing a listening session to be held on Friday, October 10, 2008, for the external review draft document entitled, "Toxicological Review of Ethylene Glycol Mono Butyl Ether (EGBE): In Support of Summary Information on the Integrated Risk Information System (IRIS)". [[Federal Register October 1, 2008](#)]

**30 September 2008**

A [new Summary for Propionaldehyde](#) and [accompanying Toxicological Review \(PDF\)](#) (78 pp, 496K) have been added to the IRIS Web site.

**25 September 2008**

[Notice for the Toxicological Review of Ethylene Glycol Mono-Butyl Ether: External Peer Review Workshop](#)

EPA will convene an independent panel of experts and organize and conduct an external peer review workshop to review the external review draft document titled, "Toxicological Review of Ethylene Glycol Mono Butyl Ether (EGBE): In Support of Summary Information on the Integrated Risk Information System (IRIS)". [[Federal Register September 25, 2008](#)]

**9 September 2008**

[Notice for the Toxicological Review of Carbon Tetrachloride: External Peer Review Meeting](#)

EPA announces an independent External Peer Review Meeting to be hosted on October 14,

2008, for the draft document entitled, "Toxicological Review of Carbon Tetrachloride: In Support of Summary Information on the Integrated Risk Information System (IRIS)". [[Federal Register September 9, 2008](#)]

## **2 September 2008**

### [External Peer Review Panel Meeting Comments posted on the IRIS Toxicological Review Document of Propionaldehyde](#)

On May 29, 2008, an external peer review panel workshop was hosted by an independent contractor on the Toxicological Review of Propionaldehyde (External Review Draft). Completing this review, a final report of the comments from the workshop were collected and are now available.

## **14 August 2008**

### [External Peer Review Panel Meeting Comments posted on the IRIS Toxicological Review Document of Beryllium](#)

On July 16, 2008, an external peer review panel workshop was hosted by an independent contractor on the Toxicological Review of Beryllium (External Review Draft). Completing this review, a final report of the comments from the workshop were collected and are now available.

## **13 August 2008**

### [External Peer Review Panel Meeting Comments posted on the IRIS Toxicological Review Document of Chlordecone](#)

On April 10, 2008, an external peer review panel workshop was hosted by an independent contractor on the Toxicological Review of Chlordecone (Kepone) (External Review Draft). Completing this review, a final report of the comments from the workshop were collected and are now available.

## **12 August 2008**

### [External Peer Review Panel Meeting Comments posted on the IRIS Toxicological Review Document of Cerium](#)

On July 8, 2008, an external peer review panel workshop was hosted by an independent contractor on the Toxicological Review of Cerium Oxide and Cerium Compounds (External Review Draft). Completing this review, a final report of the comments from the workshop were collected and are now available.

## **29 July 2008**

### [Notice for the Toxicological Review of Tetrachloroethylene \(Perchloroethylene\): Listening Session](#)

EPA announces a listening session to be hosted on August 18, 2008, for the draft document entitled, "Toxicological Review of Tetrachloroethylene (Perchloroethylene): In Support of

Summary Information on the Integrated Risk Information System (IRIS)". [[Federal Register July 29, 2008](#)]

## **24 July 2008**

### [External Peer Review Panel Meeting Comments posted on the IRIS Toxicological Review Document of 2-Hexanone](#)

On May 22, 2008, an external peer review panel workshop was hosted by an independent contractor on the Toxicological Review of 2-Hexanone (External Review Draft). Completing this review, a final report of the comments from the workshop were collected and are now available.

## **30 June 2008**

New and Updated IRIS Assessments Available

- A [new Summary for 2,2',4,4'-Tetrabromodiphenyl ether \(BDE-47\)](#) and [accompanying Toxicological Review \(PDF\)](#) (85pp, 443K) have been added to the IRIS Web site.
- A [new Summary for 2,2',4,4',5-Pentabromodiphenyl ether \(BDE-99\)](#) and [accompanying Toxicological Review \(PDF\)](#) (128pp, 948K) have been added to the IRIS Web site.
- A [new Summary for 2,2',4,4',5,5'-Hexabromodiphenyl ether \(BDE-153\)](#) and [accompanying Toxicological Review \(PDF\)](#) (66pp, 300K) have been added to the IRIS Web site.
- An [updated Summary for 2,2',3,3',4,4',5,5',6,6'-Decabromodiphenyl ether \(BDE-209\)](#) and [accompanying Toxicological Review \(PDF\)](#) (126pp, 830K) have been added to the IRIS Web site.

## **26 June 2008**

### [Notice of the release of Toxicological Review of Tetrachloroethylene \(Perchloroethylene\)](#)

EPA's IRIS Program is announcing a public comment period to review the draft document titled, 'Toxicological Review of Carbon Tetrachloroethylene (Perchloroethylene) (External Review Draft)'. [[Federal Register June 26, 2008](#)]

## **24 June 2008**

### [Notice for the Toxicological Review of Carbon Tetrachloride: Listening Session](#)

EPA announces a listening session to be hosted on July 16, 2008, for the draft document entitled, "Toxicological Review of Carbon Tetrachloride: In Support of Summary Information on the Integrated Risk Information System (IRIS)". [[Federal Register June 24, 2008](#)]

## **4 June 2008**

### [Notice for the Toxicological Review of Beryllium: Listening Session](#)

EPA announces a listening session to be hosted on June 27, 2008, for the draft document entitled, "Toxicological Review of Beryllium: In Support of Summary Information on the Integrated Risk Information System (IRIS)". [[Federal Register June 4, 2008](#)]

**3 June 2008**

[Notice for the Toxicological Review of Cerium Oxide: Listening Session](#)

EPA announces the first "listening session" (per the new [IRIS Process 2008 Update](#)) to be hosted on June 25, 2008, for the draft document entitled, "Toxicological Review of Cerium Oxide and Cerium Compounds: In Support of Summary Information on the Integrated Risk Information System (IRIS)". [[Federal Register June 3, 2008](#)]

**21 May 2008**

[Notice of the release of Toxicological Review of Carbon Tetrachloride](#)

EPA's IRIS Program is announcing a public comment period to review the draft document titled, 'Toxicological Review of Carbon Tetrachloride (External Review Draft).' [[Federal Register May 21, 2008](#)]

**12 May 2008**

[Notice of the release of Toxicological Review of Beryllium and External Peer Review Panel Workshop Announcement](#)

EPA's IRIS Program is announcing a public comment period and an external peer review panel meeting to review the draft document titled, 'Toxicological Review of Beryllium (External Review Draft)' with the release of an updated cancer assessment. [[Federal Register May 12, 2008](#)]

**6 May 2008**

[Notice of the release of Toxicological Review of Cerium Oxide and Cerium Compounds](#)

EPA's IRIS Program is announcing a public comment period and an external peer review panel meeting to review the draft document titled, 'Toxicological Review of Cerium Oxide and Cerium Compounds (External Review Draft).' [[Federal Register May 6, 2008](#)]

**2 May 2008**

[Notice: IRIS Toxicological Review of Propionaldehyde -- External Peer Review Panel Workshop Announcement](#)

EPA's IRIS Program is announcing an external peer review panel meeting to review the draft document titled, 'Toxicological Review of Propionaldehyde (External Review Draft).' [[Federal Register May 2, 2008](#)]

**25 April 2008**

[Notice of the availability of Literature Searches for Manganese, 1,2,4-Trimethylbenzene, and 1,3,5-Trimethylbenzene](#)

EPA announces IRIS announces the availability of literature searches for manganese, 1,2,4-trimethylbenzene, and 1,3,5-trimethylbenzene. [[Federal Register April 25, 2008](#)]

**25 April 2008**

[Notice of the release of Toxicological Review of Ethylene Glycol mono-Butyl Ether \(EGBE\)](#)

EPA's IRIS Program is announcing a public comment period and an external peer review panel meeting to review the draft document titled, 'Toxicological Review of EGBE (External Review Draft).' [[Federal Register April 25, 2008](#)]

**23 April 2008**

[Notice: IRIS Toxicological Review of 2-Hexanone -- External Peer Review Panel Workshop Announcement](#)

EPA's IRIS Program is announcing an external peer review panel meeting to review the draft document titled, 'Toxicological Review of 2-hexanone (External Review Draft).' [[Federal Register April 23, 2008](#)]

**16 April 2008**

[External Peer Review Panel Meeting Comments posted on the IRIS Toxicological Review Document of 1,2,3-Trichloropropane](#)

On February 20, 2008, an external peer review panel workshop was hosted by an independent contractor for the Toxicological Review of 1,2,3-Trichloropropane (External Review Draft). Completing this review, a final report of the comments from the workshop were collected and are now available.

**16 April 2008**

[Final Report on the Development of an Analytic Approach to Determine How Environmental Protection Agency's Integrated Risk Information System \(IRIS\) Is Used By Non EPA Decision Makers](#)

EPA is announcing the release of a final contractor report titled, *Development of an Analytic Approach to Determine How Environmental Protection Agency's Integrated Risk Information System (IRIS) Is Used By Non EPA Decision Makers*. This contractor report analyzed how IRIS is used outside of the EPA, who these IRIS users are, and how well their needs are being met.

**10 April 2008**

Update: EPA has announced an update to the current IRIS Process as described on the [IRIS Process \(2008 Update\)](#)

**8 April 2008**

[Notice of the announcement for the External Peer Review Panel Meeting for the Toxicological Review of Thallium and Compounds](#)

EPA's IRIS Program is announcing an external peer review panel meeting to review the draft document titled, 'Toxicological Review of Thallium and Compounds (External Review Draft).' [[Federal Register April 8, 2008](#)]

**5 March 2008**

[Notice of the release of Toxicological Review of Propionaldehyde](#)

EPA's IRIS Program is announcing a public comment period and an external peer review panel meeting to review the draft document titled, 'Toxicological Review of Propionaldehyde (External Review Draft).' [[Federal Register March 5, 2008](#)]

**28 February 2008**

[Notice of the release of Toxicological Review of 2-Hexanone](#)

EPA's IRIS Program is announcing a public comment period to review the draft document titled, 'Toxicological Review of 2-Hexanone (External Review Draft).' [[Federal Register March 3, 2008](#)]

**15 February 2008**

[Notice of the release of Toxicological Review of Thallium](#)

EPA's IRIS Program is announcing a public comment period to review the draft document titled, 'Toxicological Review of Thallium (External Review Draft).' [[Federal Register February 15, 2008](#)]

**1 February 2008**

[Notice of the announcement for the External Peer Review Panel Meeting for the Toxicological Review of Acrylamide](#)

EPA's IRIS Program is announcing an external peer review panel meeting to review the draft document titled, 'Toxicological Review of Acrylamide (External Review Draft).' [[Federal Register February 1, 2008](#)]

**24 January 2008**

[Notice of the release of Toxicological Review of Chlordecone \(Kepone\)](#)

EPA's IRIS Program is announcing a public comment period to review the draft document titled, 'Toxicological Review of Chlordecone (Kepone) (External Review Draft).' [[Federal Register January 24, 2008](#)]

**18 January 2008**

[Notice of the announcement for the External Peer Review Panel Meeting for the Toxicological Review of 1,2,3-Trichloropropane \(TCP\)](#)

EPA's IRIS Program is announcing an external peer review panel meeting to review the draft document titled, 'Toxicological Review of 1,2,3-Trichloropropane (External Review Draft).' [[Federal Register January 18, 2008](#)]
