# Workgroup Charge - Review

- **Focus on next version of MOVES (MOVES2013) and beyond...**
- **Evaluating data sources and analysis methods proposed for use in developing MOVES:**
  - emission rates
  - fleet and activity inputs
  - fuel adjustments and other inputs
- **Commenting on and/or suggesting new user features and enhancements**

# Comments re: Sep 25 meeting

- **Additional MOVES data sources**
  - There have been numerous testing programs for LD, HD, off-road equipment
  - It is suggested that these data be investigated, analyzed and potentially integrated into the MOVES development process
- **Other comments?**

## December 2012 MSTRS Meeting

- **Does the review group want to make any recommendations to the MSTRS at the MSTRS December meeting**
