Dear Ms. Nordgren:

I would like to provide an update on the status of your Information Quality Guidelines Request for Correction (#16002) regarding the Chemical Risk Assessment for Ethylene Dichloride as presented in the Toxic Substances Control Act Work Plan, received at the Environmental Protection Agency on December 15, 2015. EPA managers and staff are conducting a thorough review of your information quality concerns.

We will send you a final response or a status update within 90 business days (i.e., August 24, 2016).

Sincerely,

A handwritten signature in blue ink that reads "Monica D. Jones".
