SUBMISSION INFORMATION

Send your CROMERR application by [email or mail](#)

The attorney general certification is the only application document that must be sent in hard copy.

DEFINITIONS

CROMERR priority reports

EPA identified certain reports as likely to be material to potential enforcement litigation. These reports require signature.

If you are unsure if your system will collect priority reports, see: [Priority vs. non-priority reports](#)

Shared CROMERR Services

Shared CROMERR Services (SCS) are component solutions aimed at addressing the most challenging CROMERR system requirements.

To learn more about SCS, visit: [Shared CROMERR Services and Components](#)

This application includes (check all that apply):

- CROMERR System Checklist
- No system checklist, but description of how this system complies with relevant CROMERR requirements
- Schedule of planned upgrades or changes to this system
- Other attachments (Please list here or in a separate document):

For states, tribes and local governments (must select one of the following):

- Signed legal certification is attached or forthcoming by mail
- Approved CROMERR legal certification already on file with EPA

For States, Tribes and Local Governments Only

This application requests modification/revision of the following authorized program(s) under 40 CFR: *Detailed regulatory report lists are not required. Requesting CROMERR approval for reporting does not obligate a program or agency to collect electronically under that program. If the system's initial reporting may be expanded, we recommend selecting all possible authorized programs from the list below. Unless otherwise requested, applicants are approved for all possible reporting under an authorized program.*
