

~ Index of Presentations ~  
(23rd-April-2003 through 12th-October-2016)

- 52-Well Living Lab (Delos Labs, Rochester, MN) [12-October-2016]
- 51-Towards Healthy Schools: Reducing Risks to Children [12-October-2016]
- 50-Healthy Homes Evaluator Certification Credential [12-October-2016]
- 49-National Indoor Air Quality Needs Assessment for Indian Country [8-June-2016]
- 48-What is Happening with Indoor Air Quality? [8-June-2016]
- 47-Smoke-free: Clearing the Air in Public Housing [8-June-2016]
- 46-Green Building Initiative (GBI) Green Globes [7-October-2015]
- 45-Building America Program, DOE-Department of Energy, Building Technologies Program [3-June-2015]
- 44-Spray polyurethane foam (SPF) and isocyanates [4-February-2015]
- 43-The Effects of Commercial Buildings on Energy Use, Health and Performance, including a brief analysis of the Indoor Air Quality Procedure (IAQP) in ASHRAE 62.1 [8-October-2014]
- 42-ASHRAE Standard 62.1-2013: The IAQ Procedure and LEED [4-June-2014]
- 41-Impacts of Source Control and Ventilation on Formaldehyde in New Homes [5-February-2014]
- 40-Facility Indoor Air Quality Assessment [5-February-2014]
- 39-Evaluation of Steam Cleaning in Air Handling Unit (AHU) Coil Sanitization and Energy Conservation [5-June-2013]
- 38-How Indoor Airborne Flu Viruses Contribute to the "Flu Season" [13-February-2013]
- 37-Control of the Microbial Community Affiliated with Heat Exchangers of HVAC Systems [13-February-2013]
- 36-Healthy Efficient Homes: Research and Guidance for Health-Based Ventilation Standards [3-October-2012]
- 35-Renovating Occupied Buildings: Managing and Assuring IAQ [6-June-2012] (No February 2012 CIAQ Meeting)
- 34-Smokefree Multi-unit Housing: The State of the Science [12-October-2011]
- 33-Some Observations from Radon & How They Could Apply to Chemical Vapor Intrusion [1-June-2011]
- 32-On the Toxicity of Flame Retardants in the Building Environment: What to Do About It [2-February-2011]
- 31-Application of Observational Checklist for Indoor Dampness and Mold [13-October-2010]
- 30-National Retrospective Evaluation of DOE's Weatherization Assistance Program [9-June-2010]
- 29-IAQ Solutions for Stationary Engineers [9-June-2010]
- 28-The Indoor Air Quality Guide: Best Practices for Design, Construction and Commissioning [3-February-2010]
- 27-U.S. Green Building Council (USGBC) IAQ Research Agenda [3-February-2010]
- 26-CDC H1N1 Research Program and Projects [3-February-2010]
- 25-PCBs in Caulk [21-October-2009]
- 24-Swine H1N1 Influenza A: Transmission of Flu Viruses in Indoor Air: HVAC System Protection Options [3-June-2009]
- 23-Communities in Action for a Renewed Environment (CARE) [18-February-2009]
- 22-Building Air Quality-An Update [15-October-2008]
- 21-ASHRAE's Ventilation Standard 62.1 [11-June-2008]
- 20-Ozone Impacts in the Indoor Environment [13-February-2008]
- 19-Layered GAPTM Photo Catalytic Oxidation (PCO) [17-October-2007]
- 18-Radon ASD Moisture Study [17-October-2007]
- 17-Greenguard's Indoor Air Quality Product Certification and Labeling Programs [6-June-2007]
- 16-Reduced Energy Use through Reduced Indoor Contamination in Residential Buildings [6-June-2007]
- 15-Indoor Environmental Quality Report (NIBS), and National Building Information Model Standard (NIBS) [7-February-2007]
- 14-Update on Community Action for a Renewed Environment (CARE) [9-July-2006]
- 13-NCCEMBT Program on Filtration and Air Cleaning [19-April-2006]
- 12-IEQ & Kennedy Space Center (KSC) [18-January-2006]
- 11-Healthy School Environments Assessment Tool (HealthySEAT) [19-October-2005]
- 10-Building Assessment Survey and Evaluation (BASE) Ventilation Data [20-July-2005]
- 9-Program Needs for Indoor Environments Research (PNIER) [28-April-2005]

- 8-*Creating a More Healthful, Less Toxic Built Environment* [24-February-2005]
- 7-*The NCEMBT Agenda on IEQ Research* [20-October-2004]
- 6-*HUD's Weatherization-plus Health Protocol* [21-July-2004]
- 5-*Radon in Large Buildings* [21-April-2004]
- 4-*DOE's Humidity Control Technology Showcase Trailer: 2003 Experiences w/ORNL & 2004 Opportunities* [21-January-2004]
- 3-*EPA's ORD-IAQ Research Program* [22-October-2003]
- 2-*Revision of ASHRAE Standard 62: Ventilation for Acceptable Indoor Air Quality* [23-July-2003]
- 1-*Antimicrobial Pesticide Use in HVAC Systems; Strategy for Controlling & Inhibiting Indoor Mold Growth* [23-April-2003]
