### LMOP National Landfill Gas Energy Workshop Proceedings Available Online

The Landfill Methane Outreach Program (LMOP) is pleased to share the proceedings from our National Landfill Gas Energy Workshop with program Partners and other interested parties. The Workshop was held on April 7, 2016 in Charleston, South Carolina. You can access the [Workshop proceedings page](#) on LMOP's website.

The Workshop highlighted recent successes in landfill gas (LFG) energy projects as well as current trends affecting LFG energy development and the solid waste management sector.

LMOP collaborated with the Solid Waste Association of North America (SWANA) to organize this workshop in conjunction with SWANA's [39th Annual Landfill Gas and Biogas Symposium](#).

Sincerely,  
The LMOP team
