

Partner's Letter of Intent

Please e-mail or fax the completed Letter of Intent (2 pages) to chp@epa.gov or 617/371-3979 (contractor in support of EPA)

With this letter _____ (company/institution, or federal, state, local or tribal agency) joins EPA's Combined Heat and Power (CHP) Partnership and agrees to work with EPA to promote the benefits of CHP and support development of new CHP Projects.

Sincerely, _____
Authorized Company Representative Signature

Name: _____

Title: _____ Date: _____

The Partner Agrees to:

1. Designate a liaison for EPA's CHP Partnership.
2. Help EPA determine greenhouse gas emissions prevented by annually providing data on existing CHP projects and new project development, as well on other CHP-related activities.
3. Assess the potential for CHP development at their facilities.
4. Support development of new CHP projects.
5. Publicize the energy, environmental, and economic benefits of their projects.
6. Government partners also agree to promote the benefits of CHP and support the development of projects within their respective jurisdictions.

EPA Will:

1. Promote understanding and recognition of the environmental, energy, and economic benefits of CHP.
2. Support the Partner with tools and services intended to accelerate the development of CHP projects, including recognition of Partner's CHP accomplishments and associated benefits.

General Terms:

1. This agreement can be terminated by either party, at any time, without prior notification, penalties, or further obligation.
2. EPA will honor requests to keep reported data or activities confidential.
3. The Partner agrees that the activities it undertakes connected with this voluntary agreement are not intended to provide services to the federal government and that the Partner will not seek compensation from a federal agency.
4. The Partner agrees that it will not claim or imply that its participation in the Partnership constitutes EPA approval or endorsement of anything other than its commitment to the Partnership.
